

## Employee Appreciation and Gift Basket Program

D'lish Delivered can also make custom gift baskets for your friends and team members. We can deliver gifts to their office or home. All custom gift baskets can be made to order with homemade baked goods, and they can even accompany a freshly prepared meal.

We'll work with your budget.

What a better way to show appreciation or celebrate a special occasion.

### Baskets Theme Ideas:

- Employee Appreciation
- Baby Shower
- Promotions
- Birthday Surprise
- Get Well
- Farewell

We want to help the hard working executives, business & civic organizations by being your "one-stop" resource for catering, event planning and gifting.

All our products and services are local, fresh, organic foods prepared and delivered free to your office. If you do not see an item that you would like us to make on the menu – let us know and we will be happy to try to accommodate special requests.
